

Oasis 48-inch, Open-Top Acrylic Shower Compartment With Molded Seat, and ActivLife 3-Bar (2-horizontal / 1-vertical) Package

48-inch / Private Access / Bars & Seat

Specification – Oasis one-piece, 48 x 32-3/4-inch deep, open-top, vacuum formed acrylic shower with single contoured seat, center drain, model SHA-4833 RS/LS, offered in a standard 4.5-inch or 6-inch (ABF) dam configuration. ActivLife package includes a horizontal bar across the back wall, a bar across the control wall, and a vertical bar at the entry on the control wall.

Standards Certification:

The shower compartment listed is manufactured in compliance with ANSI Z124 Standards, and certified through an ongoing, independent quality assurance and testing program.

The factory-applied grab bar package is certified through an independent review program.

SHA-4833 LS / BP2
(LH seat / 3-bar package)
Model & Package Illustrated

NOTE: Positioning of factory attached grab bars allow for installation of a shower enclosure.

Package Notes:

1. Model available without listed package.
2. For package without vertical bar at entry see ActivLife "BP1" package code.

Photo 1: Grab Bars: Factory-installed 1.50-inch diameter, concealed attachment, 18 gauge, #304 brushed stainless steel grab bars. Concealed attachment design provides tamper-resistance and minimizes debris collection areas at contact points, compared to common exposed flange bar designs, without compromising bar attachment integrity. (Reinforced areas include a structural core material encapsulated in FRP composite.)

Photo 2: Grab Bars: Factory-installed 1.25-inch dia. powder coated (in finishes listed above), concealed attachment, 18 gauge, #304 stainless steel grab bars. Concealed attachment design provides tamper-resistance and minimizes debris collection areas at contact points, compared to common exposed flange bar designs, without compromising bar attachment integrity. (Reinforced areas include a structural core material encapsulated in FRP composite.)
