Experience. Oasis®

At Oasis, we believe in producing products with exceptional value beyond their price. For nearly three decades, Oasis has met the quality and service expectations of the plumbing professionals, and provided the homeowner a personal vision for quality, performance and value.

From the simplicity of a leisurely shower to the therapeutic benefits of a stress relieving hydrotherapy system, Oasis products provide an exceptional bathing experience. We offer products in an array of sizes and shapes, complimented by a variety of systems and assisted living packages.

Why go to all this effort? Because we care about the products we provide, the reputation of the professionals who use our products, and the legacy of all those associated with our efforts. Your plumbing professional will gladly assist you in selecting the Oasis model and features to satisfy your vision.

Right Product. Right Value.
Right Choice.
